INSTRUMENT HIRE

Calderdale Music Trust has a large stock of instruments and is pleased to make these available to students to assist with their musical studies.

- It is the responsibility of the parent/carer to collect the instrument from the Trust office and sign the agreement before the instrument is allocated.
- If an instrument is loaned from Trust stock, the parent/carer must accept responsibility for any loss or damage caused by accident, theft, attempted theft, maltreatment or otherwise.
- The parent/carer will be charged for a comparable replacement if the instrument is lost or irreparably damaged. The full costs of any damage (other than from regular use) will also be charged to the parent/carer. Any damage must be reported to the Trust and will be carried out by the Trust's specialist instrument technician.
- The instrument provided will be in good condition.
- Minor damage incurred through regular use will be repaired by the Trust's specialist instrument technician and will not be charged for. Parent/carers must not attempt to repair the instrument.
- Parent/carers are advised to arrange adequate insurance for instruments on loan. This may already be covered by household contents insurance but the position regarding this should be clarified with your insurer.
- The instrument must not be used by any person other than the student to whom it is loaned.
- **If a student stops lessons or leaves full time education, the instrument must be returned to the Trust office at the end of the final term. This is the responsibility of the parent. If the instrument is not returned, you will be charged for the full cost of a replacement.**
- The instrument (including mouthpiece or bow where applicable) remain the property of the Calderdale Music Trust and may be recalled for inspection at any time.
- If the instrument requires repairing or your child requires a larger instrument (string instruments) it is the responsibility of the parent/carer to return the instrument to the Trust office and collect it when it is ready.
- Some instruments require accessories (rosin for string instrument bows, reeds for wind instruments, valve oil etc.). Instruments will not normally come with a supply of such accessories – please consult

with your son/daughters' instrumental tutor for details of what may be needed (we warn that valve oil can be hazardous if ingested). Woodwind instruments requiring reeds will be provided with a reed but replacement reeds are the responsibility of the parent/carer.

- Instruments can only be hired by students having lessons with Calderdale Music Trust or attending one of our ensembles.

If you are happy to accept the loan of the instrument on these terms, please fill in the details below.

We cannot loan instruments to people who have not signed below.

Furthermore I understand that termination by the Trust pursuant of this clause will not affect their right to recover any sums outstanding and due to the Trust.
- I understand this agreement is binding and will continue until it is **cancelled, in writing, at least 2 weeks before the end of a school term.**
- I understand the Trust will inform me of any changes in fees, terms and conditions, or any other relevant alterations to Trust delivery.
